Mission Statement

To provide the highest quality wastewater collection and treatment services at the lowest possible cost to our customers, while protecting human health, the environment, and Wells beaches and marshes.

January 14, 2025

Notice of Special Meeting

Pursuant to 38 M.R.S. § 1201, the Board of Trustees of the Wells Sanitary District (WSD) will hold a special meeting on **Tuesday, January 28, 2025 at 7:00 P.M.**

The purpose of this special meeting is to provide the opportunity for public comment on WSD's plan to borrow \$3.0 Million from the Maine Municipal Bond Bank (MMBB). This loan by WSD will be used for the multi-year treatment facility upgrade project focusing on the Headworks Building and the Secondary Clarifiers. The loan will be used to complete the upgrade design for these areas at the treatment facility. The loan will also be used to purchase equipment to replace failing assets and to hire the contractor. The construction work will be covered under a subsequent loan.

The MMBB will issue the loan for a 20-year term at a minimum long-term interest rate set at 1% plus prime. If you would like to attend the meeting virtually, please email your request to wsd@wellssanitarydistrict.com.

Respectfully,
Board of Trustees
Wells Sanitary District
